Subject: Date for Inspection

(NOTE: This will be used as the Documents Title in ADAMS)

6/27/2013 (08:45) I left a message on the licensee's main voice-mail that I was outside the offices trying to perform an inspection and that I could be reached on my cell phone. 7/2/2013 (09:15) I spoke with Mr. Smith about the times when the office was open. He stated that the secretary comes in about 9:00 a.m. and he comes in about 9:30 a.m., Monday through Friday. The President of the company, Peter Schmitt, was out of the country and I was unable to set up an inspection for July 3rd. I asked Mr. Smith to get back in touch with me about setting up an inspection day during the first three weeks of August. Mr. Smith stated that he would get back in touch with me later today or tomorrow about a date for the inspection in August.
