I am planning to retire on June 28, 2013, and would like to remove my name from Sidney Sugar's NRC license.

I would like to have Richard Carlson replace me as Radiation Safety Officer for this license. I am including Richard's last training certificate for RSO training.

Would you please add the following people to our license:

Wade Hartle

Cody Hochhalter

Neil Roberts

Would you please email me that the change is OK.

Thank you,

Steve Arnold
