**(NOTE: This will be used as the
Documents Title in ADAMS)**

7/3/2013 (10:20) I left a message for Dr. Wiest. My message was to inform Dr. Wiest that the license expires on July 31st, 2013, and that he is in technical non-compliance with the regulations because the renewal was not submitted within thirty days of the expiration date. I requested that the application be sent in as soon as possible so that it could be processed. If he required any assistance, he could contact Amy Linde at 610-337-5248 and she would connect him with someone in Branch 2.
