SUBJECT: PHARMALOGIC WV, LTD, ABANDONMENT OF APPLICATION FOR LICENSE
AMENDMENT, CONTROL NO. 580433

Dear Mr. Palmer:

This concerns the subject application for an Amendment to your material license. We understand that you have moved into your new facility as authorized on your license. An electronic mail was sent to Brian Davis, Regulatory Affairs, on April 30, 2013, stating that the application was deficient and that certain additional information was required. We further stated if we did not receive a response from you within 30 calendar days, we would assume that you no longer wished to pursue the action. To date, we have not received a response to our electronic mail. We informed Mr. Steve Green of your staff on June 27, 2013, that we were going to abandon this action and sent him a copy of the electronic mail that was dated April 30, 2013.

We are notifying you that we have voided your application because we consider you to have abandoned it. This action is taken without prejudice to the resubmission of your request.

Sincerely,
