SUBJECT: REQUEST FOR ADDITIONAL INFORMATION – AMENDMENTS TO SEALED
SOURCE AND DEVICE REGISTRATION CERTIFICATE AND EXEMPT-
DISTRIBUTION MATERIALS LICENSE

Dear Mr. McGettigan,

This letter is in response to your application dated May 8, 2013 for amendments to your sealed source and device registration certificate No. NR-1267-D-102-E and the associated exempt-distribution materials license No. 04-24011-01E due to a change in the manufacturing and distribution locations. A review of your application indicated that it lacks required information to complete our safety review and evaluation. In the enclosure to this letter, we have summarized the issues that need to be addressed.

Please submit the requested information within thirty days of the date of this letter. If we have not received complete information within thirty days of the date of this letter, we will consider your application as having been abandoned by you. This is without prejudice to the submission of a complete application.

In accordance with 10 CFR 2.390 of NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

Any correspondence regarding your amendment application should reference the control number specified above.

ENCLOSURE

- A. Questions regarding your sealed source and device registration certificate application/amendment request per 10 CFR 32.20.
 - 1.1 In your letter dated May 8, 2013, you indicated that the addresses in Torrance, CA and Hawthorne, CA will be used for manufacturing and testing; please indicate which facility will be used for manufacturing and which will be used for testing.
 - 1.2 Please confirm that no changes were made to the product since its last registration certificate amendment on April 9, 2012.
 - 1.3 Please confirm that the previous commitments made for the North Andover, Massachusetts location will not change with the move of the manufacturing facility to California.
 - 1.4 Please confirm that the quality assurance program has not changed and that it will be implemented as approved by the NRC.
 - 1.5 Please provide information on the label which will be used on the devices distributed from Torrance, CA.

- B. Question pertaining to your Exempt-Distribution Materials License
 - 1. In your application you indicated that you wish the material to be distributed from your location at Torrance, CA. Please indicate if you want to list the address at Hawthorne, CA as a distribution location as well. Also, confirm that you wish to remove the address at North Andover, MA from your distribution license.
