 King of Prussia, PA 19406

RE: Temporary termination of nuclear activities

Due to Dr. Mossallati's extended stay out of the US and uncertainty as to when he will return, effective immediately, we (Associated Specialists Inc) will suspend all use of Radioactive Material until he returns. Radioactive Material until he returns. Upon his return, we will notify your office prior to recommencing the use of radioactive materials.

Sincerely,

Adnan Alghadban, M.D.

Acting Director of Associated Specialists Inc.
