Subject: RE: RIS for GL Devices - regarding SAFSTOR plants

Ujagar:

Per your request, I visited all four of the SAFSTOR sites in Region I (Indian Point Unit 1, Millstone Unit 1, Peach Bottom Unit 1, and Three Mile Island Unit 2). Each facility is aware of the RIS documents and their regulatory responsibilities related to general licensed devices authorized pursuant to 10 CFR 31.5 and 10 CFR 32.51.
