SUBJECT: YALE UNIVERSITY, VOIDANCE OF LICENSING ACTION INVOLVING  
FINANCIAL ASSURANCE, CONTROL NO. 577401

Dear Mr. Polak:

This concerns the subject administrative amendment request by the NRC for the revision of your Standby Trust Agreement and associated financial assurance instruments to include the special nuclear material authorized by the above license. The above license was terminated based upon your request to consolidate your licensed program under the authorization of your broad scope license, NRC License No. 06-00183-03. The revision of your financial assurance documents is now being tracked under Control No. 580867. We have, therefore, voided this licensing action tracked by Control No. 577401.

Your cooperation with us is appreciated.

Sincerely,
