**Subject:** Request for Extension on Annual Surety Estimate

Doug,

Cameco Resources is requesting an extension till July 31<sup>st</sup>, 2013 (30 day, from Due date of June 30<sup>th</sup>) for submittal of the annual surety update. At this time we are still working with the state and clarifying various aspects of the surety and need this additional time to finalize the estimate. WDEQ-LQD communicated to us that this would be a satisfactory approach with them as well. Please let us know if this would be viable option.
