US Nuclear Regulatory Commission  
Office of Licensure/Finance  
P.O Box 970051  
St. Louis, MO 63197

Dear Commissioner:

This is to notify you that the NHCRU is requesting termination of our lic 13-3165 effective immediately. Our last study run under this license was April of 2010. I have attempted to contact the NRU on a number of occasions, most recently this morning.

Please inform us of any further information you may require.

Sincerely,

Joyce Van Winkle, DPM  
Director of Operations  
New Haven Clinical Research Unit  
203 401 0239  
Acting RSO
