US Nuclear Regulatory Commission Office of Licensure/Finance P.O Box 970051 St. Louis, MO 63197

Dear Commissioner:

This is to notify you that the NHCRU is requesting termination of our lic 13-3165 effective immediately. Our last study run under this license was April of 2010. I have attempted to contact the NRU on a number of occasions, most recently this morning.

Please inform us of any further information you may require.

Sincerely,

U uhlel.

Joyce Van Winkle, DPM Director of Operations New Haven Clinical Research Unit 203 401 0239 Acting RSO
