Subject: Amendment request dated 6/7/13
(NOTE: This will be used as the Documents Title in ADAMS)

In the letter dated 6.7.13, the licensee requested that the mailing address be changed to 5280 Summerlin Commons Way, Fort Myers, Florida. I spoke with S. Villar and according to her if we change the mailing address to FL, then we will have to terminate the WV license and issue a FL license. By doing this, a few will be generated for a new license. I informed the licensee of this and they requested that we leave the mailing address in WV.

Other items in the amendment request will be addressed. Specifically, the RSO will be changed to Eric Lee based on him being the RSO on other 21st Century Oncology licenses and Greg Madison will be removed as an AMP.
