Dear Mr. Perez:

The Office of Federal and State Materials and Environmental Management Programs received your July 11, 2013, letter transmitting the California's revised license condition to incorporate RATS ID: 2011-2, Part 36 provision. The review has been assigned to Randy Erickson and it is our goal to complete the review within 60 days. If you have any further comments or questions, please contact me.

Thank you for your attention.
