SUBJECT: CONSENT TO INDIRECT LICENSE TRANSFER

Dear Mr. Parker:

This letter is sent with respect to your letter of June 17, 2013, to Patricia Duft, in which the U.S. Nuclear Regulatory Commission (NRC) provided its consent to the proposed indirect transfer of control regarding NRC Materials Licenses issued to Mallinckrodt LLC.

You requested that Mallinckrodt notify the NRC after the transaction was finalized, and include a copy of the final agreement confirming completion of the transaction. On June 28, 2013, the proposed transaction occurred. Enclosed on a CD is a copy of Mallinckrodt's Form 8-K, with all attachments, filed with the Securities and Exchange Commission, reflecting this transaction.

Thank you. Should you have any questions, please contact me.

Sincerely,

A handwritten signature in cursive script that reads "Eric Berry".
