SUBJECT: REQUEST FOR ADDITIONAL INFORMATION

Dear Mr. Johanning:

This refers to your application dated February 26, 2013, for a sealed source and device registration certificate for a new device and the associated Application for Materials License, NRC Form 313, dated April 1, 2013. A review of your application indicated that it lacks required information to complete our safety review and evaluation. In the enclosure to this letter, we have summarized the issues that need to be addressed.

Please submit the requested information within thirty days of the date of this letter. If we have not received complete information within thirty days of the date of this letter, we will consider your application as having been abandoned by you. This is without prejudice to the submission of a complete application.

In accordance with 10 CFR 2.390 of NRC's "Rules of Practice," a copy of this letter will be available electronically for public inspection in NRC's Public Document Room or from the Publicly Available Records (PARS) component of NRC's document system (ADAMS). ADAMS is accessible from the NRC web site at <http://www.nrc.gov/NRC/ADAMS/index.html> (the Public Electronic Reading Room).

Any correspondence regarding your amendment application should reference the control number specified above.

If you have questions regarding the amendment to your exempt-distribution materials license please contact me at (301) 415-5477, or by email at richard.struckmeyer@nrc.gov. Questions regarding the sealed source and device registration should be directed to Maria Arribas-Colon at (301) 415-6026 or by email at Maria.Arribas-Colon@nrc.gov.

Sincerely,

/RA/
