Licensee's amendment request was signed by RSO. In addition, the address on the letterhead was different from the mailing address on the license. I called the RSO to verify if he held any managerial position with the licensee and to discuss the differences in the mailing address on the license and on their letterhead.

The RSO stated that in addition to being the RSO he was also the maintenance supervisor. He confirmed that Thomas Harvan is the plant manager. With regard to the addresses, he stated that the correct address is 252 Heilman Avenue and that the plant location is also at 252 Heilman Avenue.
