Mark,

I just returning from a meeting and got both your call and e-mail. You are correct, Amy Hull is our new acting Branch Chief.

Dr. Amy Hull's e-mail address is Amy.Hull@nrc.gov.

As she is out this week, it would be good to send an electronic copy me as well.

Dennis

NOAA

Drew / Dennis - I just wanted to give you both a heads up that we recently received an inquiry from EcoLaw regarding our recent ESA section 7 consultation with you on the Pilgrim plant and as part of our response we have also sent you a letter requesting your assistance for some information. We have addressed our letter to Dr Amy Hull who I understand is the Acting Chief of the appropriate Branch in NRC although unfortunately I do not have her e-mail. Please do not hesitate to contact me or Julie Crocker if you have any questions on this matter.

Thank you. Mark.
