Chris and Julie-

The attached letter was sent to your Assistant Regional Administrator yesterday regarding the Draft Supplemental Environmental Impact Statement, Biological Assessment, and Essential Fish Habitat Assessment for Pilgrim Nuclear Power Station.

I am attaching a copy of the letter, as well as the BA and EFH assessment for your review.

We hope to meet with you office sometime in January to discuss our findings in the SEIS, BA, and EFH assessment.

I will be in contact soon to discuss the arrangements for this meeting.

Please let me know if you have any questions or concerns.

Thanks
Alicia Williamson
