Dear Mr. Gody;

I want to personally thank you for your knowledge and expertise in this sensitive matter regarding the Honeywell Plant in Metropolis, IL. The welfare of our community is top priority with me and with your help; I feel I can be assured of this. As well as the many employees who are employed at Honeywell, their safe being is also a major concern with not only myself but those of the community also.

For your continued support, I am truly appreciative and look forward to a great working relationship between all involved in the future.

Sincerely,
City of Metropolis

Billy McDaniel
Mayor
