Subject: Notification of changes in management

To Whom It May Concern:

This letter is to communicate that Radiation Safety Office (RSO) at the University of Vermont (UVM) will report to new executive management (see attached organizational chart).

Our new address is:

Thomas J Gustafson
Vice President for Administration and University Relations
University of Vermont
106 Carrigan Drive
Radiation Safety Office
004 Rowell Building
Burlington, VT 05405-0068

The Radiation Safety Committee (RSC) will remain under the authorization and authority of the Vice President for Research.

The Radiation Safety Officer for the license will continue to be Keddy G Bharathan. No changes are planned in regards to the use, operation, office staffing and management of UVM's NRC materials license.

Please call me if you have any questions or if further information is needed.

Thank you,

Thomas J Gustafson
Vice President for Administration and University Relations

cc. Keddy Bharathan, Director, Radiation Safety Office
Mary Dewey, Director, Risk Management & Safety
John Evans, Vice President for Research
