Kim,

We would like the call to be at 1 pm on Friday – is that still good for you?

During the call we will walk through each RAI to ensure that we have a clear understanding.

Kim,

We will need a conference call to discuss, at a minimum, draft RAI 11-b. We are also reviewing the 3 other RAIs to determine whether we need clarification on those.

Roger,

Attached is a draft request for additional information (RAI) regarding the Indian Point Reactor Vessel Internals Inspection Plan and responses to previous RAIs.

Please review the draft RAIs and let me know if Entergy requires a phone call. The purpose of the phone call would be to obtain clarification on the staff's requests.

Thanks,
Kim
