7/15/2013 (08:15) I left a message for Juan G. Muriel Rodriguez to call me back. (10:45) Mr. Rodriguez returned my call. I informed him that, as of this date, it did not appear that a renewal application had been submitted for the NRC license. Mr. Rodriguez indicated that he was waiting for a Form 313 application to complete. I stated that the form is only required for a new license but could be obtained from the NRC Web site by typing in "NRC Form 313" in the search engine in the upper right of the screen. I requested that the application be sent to the NRC via facsimile and provided him the NRC fax number.
