Mr. Keegan:

The meeting is definitely canceled. I would have been facilitating the call and I have no plans of doing such at this point. I will work with our admin staff to get the public webpage updated ASAP.

Hello Tekia,

I just checked NRC public meeting page and the Fermi 3 Open Items meeting scheduled for today still reads as if it is on.

Could you please inform me as to status of meeting and provide documents and phone #'s.

Thank you
