7/01/13 & 7/02/13 - Colin Faulkner (Proposed RSO) was contacted to request additional information regarding the new license application. Vice President was contacted to verify his knowledge of the new license application and to verify identity of the RSO.

Deficiencies in the applicant's license application were discussed with the RSO. The RSO agreed to submit a written response to include a new Form 313 and Appendix B of NUREG-1556, Volume 1, within one week.

7/01/13 - Gary Taylor was contacted and stated that he was well aware of the new application and that he had discussed it at length with Mr. Faulkner. He stated that the license was needed for business reasons as the company had a contract in West Virginia and the project was expected to take at least one year, possibly longer.

Action Required: Applicant to submit a response to this request for additional information regarding the license application. Save this record in ADAMS referencing the licensing action.
