Dear Mr. Macfarlane,

Thank you for making time in your busy schedule to meet with me regarding the seismic hazard and risk issues surrounding Diablo Canyon Power Plant. I appreciate your willingness to listen to these important issues from the perspective of a local elected official.

I would also like to thank you for the in-depth briefing on relicensing provided by your staff after our meeting. Your staff's perspective is a tremendous resource and will help me in future discussions on the local level.

Please feel free to contact me anytime should have any questions, or if I can provide you or your staff with further information.

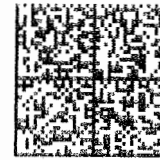

Sincerely,

BRUCE GIBSON
