**Subject: Quarterly distribution report for Q2 '13, WN-I0401-1**

Per 10 CFR 32.52, we are sending the following quarterly report to you:

This letter is to inform you that during the second quarter of 2013 (April 1 to June 30, 2013) Panther Systems Northwest, Inc. (license number WN-I0401-1) did not ship any sealed radioactive sources in generally licensed devices from our facility here in Washington state.

Quarterly reports will be generated to inform you of any future source shipments. If you have any questions or concerns, please feel free to contact our office.

Sincerely,

John K. Francis  
Radiation Safety Officer
