Dear FOIA Officer:

Pursuant to the Freedom of Information Act, I am requesting all correspondence between the EPA and the NRC from Jan. 1, 2008 to the present.

This information is being sought on behalf of the Huffington Post for dissemination to the general public. By making this request, I am gathering information because of the public interest in government affairs and nuclear energy.

Please waive any applicable fees. Release of the information is in the public interest because it will contribute significantly to a public understanding of government operations.

If my request is denied in whole or part, I ask that you justify all deletions by reference to specific exemptions of the Act. I, of course, reserve the right to appeal your decision to withhold any information or to deny a waiver of fees.

As I am making this request as a journalist and this information is of timely value, I would appreciate your communicating with me by telephone, rather than by mail, if you have questions regarding this request. My phone number is 202-624-9385. I look forward to your reply within 15 business days, as the statute requires.
