REC RG 1 07 16 13 AM 07:17

Dear Ms. Joustra,

This letter is an addendum to my letter of response of June 3, 2013 regarding inspection of Just Cats Veterinary Clinic, Stamford, CT, License No. 31-30650-01.

As requested by Mr. Courtemanche, I wish to add that any procedural changes in my letter are to apply to all Thyro-Cat facilities licensed by the NRC now and in the future. Note also that the violation was the result of a typographical error in the license application and that a license amendment is being requested to correct that error.

Many thanks for your support and cooperation.

Sincerely,

Gerald W. Bennett, Ph D
Radiation Safety Officer
