**SUBJECT: TETRA TECH EC, INC. NRC LICENSE NO. 29-31396-01
NOTIFICATION OF CHANGE IN CORPORATE MANAGEMENT
REPRESENTATIVE RESPONSE TO MAIL CONTROL NO. 580737**

Dear Ms. Modes:

As requested in your correspondence listed as mail control no. 58707, this letter is to clarify information provided in my previous letter notifying you of my replacement of Skip Parry as the Tetra Tech EC management representative of Environment, Safety and Quality for correspondence concerning Nuclear Regulatory Commission radioactive materials license number 29-31396-01. The Tetra Tech EC corporate office is still located at 1000 The American Road, Morris Plains, New Jersey 07950. Although I am physically located in another Tetra Tech EC office, I still receive mail sent to the corporate office through interoffice mail provided my name is on the mail. Please ensure that all future correspondence is directed to the Tetra Tech EC corporate office with attention to Roger Margotto. I can then ensure that all correspondence concerning the license is properly routed internally to our Radiation Safety Officer, Erik Abkemeier, who is stationed at our Virginia Beach, Virginia office.

If you have any questions regarding this notification, please contact Mr. Abkemeier at (757) 944-0921 or (757)466-4906.

Sincerely,

A handwritten signature in blue ink that reads "Roger M Margotto".
