Good Morning Ms. Hintz,

My apologies for not acknowledging your e-mail, I did receive the e-mail back in June with the delivery address. We were actually packing and moving that week and I must have forgotten to respond. We moved across the street the week of June 24, please note that my office address and phone number have changed in my signature block below. Thank you for checking to see if I received the e-mail.

I will be in touch with you prior to delivery for planning purposes. In the meantime if you should have any questions, please let me know.

Thank you,  
Annette Stang

Annette,

I have the delivery address for you.

5835 Green Pointe Dr., Suite C  
Groveport, OH 43125

This facility has a locked gate. We will need to be informed of the delivery so, that someone can be available to accept the delivery.

Have there been any changes in the plan due to the sequestration?

Thanks,

Hi Pamela,

Thank you for your e-mail. I have updated my list with the February 2014 expiration date. Just send me the delivery address later.

Thank you,  
Annette

Ohio would like to replenish expiring KI. As informed via phone lot number PO3-9 expires in February 2014 not April. I am the point of contact, Pamela Hintz 614-466-5066. I will have to reply at a later time for the delivery address.

Thank you,

Hello,

The NRC is preparing to replenish expiring stockpiles of KI tablets. According to our records your State has 81,900 (130mg) tablets with lot numbers PO3-9, expiring in April 2014 and 1,420,820 (65mg) tablets expiring in October 2014. We are no longer supplying (130mg) tablets and will replace stockpiles with (65mg) tablets (2 per adult and 1 per child). The NRC will replace the expiring stockpiles during fiscal year 2014. If your State wishes to participate in the NRC KI tablet replenishment, please respond with the delivery address, point of contact (including phone number) and any special delivery requests you have no later than May 31, 2013. Please note these tablets will not be shipped until 2014 to ensure timely replacement of your States expiring KI stockpiles. We will notify you prior to shipment of the tablets to enable you to make any preparations necessary for receipt of the shipment.

Thank you so much for your prompt attention to this matter. I look forward to your response. Please let me know if you have any questions.

Thank you,  
Annette Stang
