Subject: Re: NRC License Renewal for Spectrum Health Reed City Hospital

Hello Bryan,

Spectrum Health Reed City Hospital will stay the same. Crossroads Radiation Therapy Center will change to Susan P. Wheatlake Regional Cancer Center. We are adding a state of the art chemotherapy infusion center to our existing radiation therapy program. We are also upgrading all of our equipment. Nothing will be source based. Hope this clarifies.

Regards,
Rob

Hey Rob,

Another quick question re: addresses. I noted while looking at the website (as well as your signature block) that there is a new/remodeled Cancer Center opening up.

Your sig block says:

Spectrum Health Reed City Hospital
Susan P. Wheatlake Regional Cancer Center
4499 220th Avenue
Reed City, MI 49677

But the application dated 01/29/13 says:

Spectrum Health – Reed City Campus
Crossroads Radiation Therapy Center
4499 220th Ave
Reed City, MI 49677

Please clarify for me. Plus, I recognize that this is the MAILING address we're talking about here. The location of use is actually the hospital at:

300 N. Patterson Road
Reed City, MI 49677

Thanks.
Bryan

Subject: NRC License Renewal for Spectrum Health Reed City Hospital

Hello Bryan,

Pursuant to our telephone conversation related to our materials license renewal, we do not utilize PET isotopes at our facility. Should we decide to do so in the future, we will amend our license as required. Have a great day.

Regards,

Rob
