Reference: NRC Letter, "Online Reference Portal for Review of Mitigation Strategies Submittal in Response to Order EA-12-049 (TAC NOs. MF0888 AND MF0889)," dated July 10, 2013

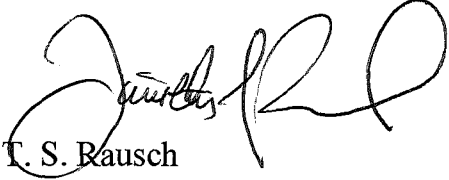

The above referenced letter requested that PPL Susquehanna, LLC (PPL) confirm that PPL agrees to the terms and conditions set forth in the letter. PPL agrees to the following terms and conditions:

- The online reference portal will be password-protected and passwords will be assigned to those directly involved in the review on a need-to-know basis;
- The online reference portal will be sufficiently secure to prevent staff from printing, saving, or downloading any documents (note – neither PPL nor SCIENTECH can prevent a user from printing a single page via screen print or from taking a picture of the computer screen with a camera); and
- Conditions of use of the online reference portal will be displayed on the log-in screen and will require concurrence by each user.
- The online reference portal will be populated, as a minimum, with the references included in the submittal such as drawings, procedures, and calculations.
- The conditions associated with the online reference portal will be maintained throughout the duration of the review process.

The online reference portal will be ready for access to the NRC staff on July 24, 2013. To facilitate this access, PPL requests that the NRC provide the names and email information for the staff reviewers needing access to this portal.

No regulatory commitments are contained in this letter.

If you have any questions regarding the content of this letter, please contact
Mr. John L. Tripoli, Manager, Nuclear Regulatory Affairs, at (570) 542-3100.
