**RE: License Number: SUB-1601
Change in Status**

To Whom It May Concern:

I am writing this letter to request a change in the status of our license, SUB-1601. We have not used nuclear materials during the past 24 months nor have we possessed any during that time. However, I am requesting that we be allowed to maintain our license. We still anticipate that the U. S. Army will be sending us a tank which will require that we have this license.

I have been in contact with Jennifer Bishop and Deborah Piskura from your organization regarding our situation. They may be helpful should you have any questions regarding this exemption. I can also be reached at 248-373-9800 x 240 to answer any questions you may have.
