SUBJECT

Licensee's amendment request for a new T&R individual

SUMMARY

The licensee reviewed and approved the RSO as a trustworthy and reliable individual. The licensee submitted an amendment request to the NRC.

As discussed with Ms. Lane, she understood that the NRC did not require the licensee to submit this type of information. She also understood that the licensee may maintain the approval records on site. She understood that the NRC will not take any action on the request. She stated that she will discuss this information with the RSO.
