Dear Mr. Thompson,

This letter is to request an amendment to license 06-19183-01, to change the Radiation Safety Officer for Boehringer Ingelheim Pharmaceuticals, Inc. (BIPI). Due to personnel changes within the organization, William L. Galdenzi has been appointed to act as Radiation Safety Officer on an interim basis, replacing Sarah Stewart. BIPI is conducting a search for candidates to replace the position held by the previous Radiation Safety Officer.

900 Ridgebury Rd/P.O. Box 368
Ridgefield, CT 06877-0368
Telephone (203) 798-9988

BIPI will be conducting a candidate search to replace the vacated position. When the position is filled, the individual require formal approval to assume the role of Radiation Safety Officer. Dr. Mark Castles will continue to serve in the role of Chair of the Radiation Safety Committee, reporting directly to me.

William Galdenzi has extensive prior experience as Radiation Safety Officer at BIPI and at a previous employer. He held the position of BIPI Radiation Safety Officer from 2007 through 2011 and is thoroughly familiar with all aspects of its radiation safety program. In addition, he held the position of Radiation Safety Officer at his prior employer for seven years.

We look forward to your response. Thank you for your attention in this matter

Sincerely,

James G. Baxter, Ph.D., Pharm. D.
Sr. Vice President, Development
