Tom,

We can provide an advance copy pdf.file to Maitri (for Dr Corridini). Since we have made several changes to our draft presentation over the last few days, we would prefer to provide the actual "final" copy for review. We can have this ready within the hour. Please provide me the email addresses you would like copies to be sent to. Regards,

John,

Are you planning to send an advanced copy of your slides to Maitri? She wants to provide a set of the presentation slides to Dr. Corridini for his study tonight. I'll give her ours later this afternoon.

Please let me know what your plan is. I can forward what you gave me (minus the backups).

Regards
