Subject: STP - 2-week Look-Ahead Actions

John,

I have the following to-go actions for Chapter 3:

1. FSAR CR to address 3.9.6 comments from Tom Scarborough in his Rev 9 review and 3.9.6 confirmatory items. Currently, 3.9.6 is still showing a CI.
2. The redacted version of the November 2012 audit report.
3. Plan and form of deliverable to address ACRS' comments on using two different earthquakes.

I was advised by Theresa Clark that Dr. Ziada has no comments on the proposed changes to the WCAPs. For now, I am holding the November 22, 2013 date for the remaining Chapter 3 subsections.

Regards

Tom Tai
