In the Matter of
Charlissa C. Smith
(Denial of Senior Reactor Operator License)
Docket No. 55-23694-SP

Dear Administrative Judges:

Pursuant to 10 C.F.R. §§ 2.1203 and 2.336 and the Atomic Safety and Licensing Board's ("Board") Order dated March 20, 2013, the staff of the Nuclear Regulatory Commission ("Staff") has attached (Attachment 1) a log of documents withheld from disclosure due to an applicable privilege.

Pursuant to 10 C.F.R. § 2.336(c), the Staff also submits the Affidavit of John McHale, certifying that all relevant materials required by this section have been disclosed, and that the disclosures are accurate and complete as to documents identified by July 23, 2013 (Attachment 2).

The NRC Staff notes that it has made a good faith effort to identify and characterize all documents meeting the criteria of 10 C.F.R. § 2.336(b) and 10 C.F.R. § 2.1203 in this proceeding. In identifying these documents, the Staff does not concede their relevance to the issues to be decided in this proceeding.

Sincerely,

Signed (electronically) by

David Cylkowski
Counsel for the NRC Staff
