Re: RAI 532, Q19-352

Proposed language for the response to this question was discussed with AREVA during our audit in Marlborough July 15-19, and during our telecom on 18 July, and found acceptable to NRC for PRA level 1 only.

Response to the question for PRA level 2 was discussed during our audit and addressed our question. AREVA has proposed to respond to the question with revised FSAR wording, which we have not yet seen. If their final response reflects the discussion during the audit, it will be acceptable. If not, we will need to follow up.
