Mr. Condrey,

This is a follow-up to our telephone conversation today. We are in receipt of your renewal application for your materials license no. 45-24958-01. We would like to point out that the application was not signed by a senior member of management nor was the necessary information submitted. Please re-submit a signed application and supporting information utilizing the checklist (Appendix B) in NUREG-1556, Vol. 1, Rev. 1, "Consolidated Guidance About Materials Licenses: Program Specific Guidance About Portable Gauge Licensees."

You may fax the completed application to my attention at 610-337-5269. Please let me know if you have any questions or need additional information.
