Subject: Region IV Utility Group Comments on Effectiveness of the Reactor Oversight Process Baseline Inspection Program, Docket ID NRC-2013-0125

References:

1. Federal Register (FR) on June 11, 2013 (78 FR 35056) Docket ID NRC-2013-0125
2. Letter from NRUG, to Ms. Marsha Gamberoni, USNRC, dated July 28, 2013

Dear Ms. Bladey,

The Region IV Utility Group (RUG IV) submits the following comments in response to the Federal Register notice (Reference 1) soliciting comments on the effectiveness of the Nuclear Regulatory Commission's (NRC) Reactor Oversight Process (ROP) Baseline Inspection program.

The members of RUG IV include representatives from the 14 power plant sites in NRC Region IV. RUG IV provided input to the development of the comments submitted by the National Regional Utility Group (NRUG) in their letter to the NRC on this matter (Reference 2). RUG IV endorses those comments and the industry comments made during the July 17, 2013, NRC public meeting.

The members of RUG IV appreciate the opportunity to provide input to this review of ROP Effectiveness. If you have any question on these comments, please contact Mark McGhee at 602-316-9054, or Stephanie Pyle, RUG IV Vice Chair, at 479-970-6861.

Sincerely,

Chair Region IV Utility Group
