Sir;

Please put our license in a Possession Only status effective July 9, 2013. At present moment we loss the person that used to serve as our RSO and Trustworthiness & Reliability Official. We are looking to fill this position in the next available opportunity. To comply with regulations, we like to put our license in possession only status until getting the qualified person for the position.

Please let me know if you request any other information in this regard.

Thanks

Jose Luis Serrant
