Subject: Petition Status Update

Dear Mr. Lochbaum:

This is a periodic update regarding your petition dated July 10, 2012. The petition requested that the NRC staff take enforcement action at the Brunswick Steam Electric Plant (BSEP), Units 1 and 2, that would result in revisions to the operating license. This status update fulfills the guidance in Management Directive 8.11, "Review Process for 10 CFR 2.206 petitions" for periodic status updates.

The review of your petition continues. The current estimated issuance date of the proposed Director's Decision is September 27, 2013. The target issuance date of the final Director's Decision is 75 days after the issuance date of the proposed Director's Decision. Thank you again for your patience.

Please let me know if you have any questions related to the review of your petition. My contact information is included below. I have also included your co-petitioners on cc to this email for their information.

Respectfully,

Araceli T. Billoch Colón
