Subject: Advisement of Leadership Changes for Exelon Generation Company, LLC

Reference: Letter from P. R. Simpson (Exelon Generation Company, LLC) to U.S. NRC
 "Submission of Standard Practice Procedure Plans and Updated Foreign
 Ownership Control or Influence Package," dated December 19, 2012

In accordance with 10 CFR 95.17, "Processing facility clearance," Exelon Generation Company, LLC (EGC) is advising the NRC of a significant change that may affect EGC's status concerning foreign ownership, control, or influence. Specifically, on July 9 and July 29, 2013, organizational changes that affect the Owners, Officers, Directors, and Executive Personnel (OODEP) list for EGC became effective. The Attachment supplements the referenced submission, and provides an updated OODEP list for Exelon Corporation and EGC.

Portions of the Attachment contain Personally Identifiable Information that, if made public, would constitute a clearly unwarranted invasion of personal privacy. Accordingly, it is respectfully requested that the information in the Attachment be withheld from public disclosure in accordance with 10 CFR 2.390, "Public inspections, exemptions, requests for withholding," paragraph (a)(6). Because EGC seeks to withhold this Attachment in its entirety, a nonproprietary version of the Attachment has not been prepared.

There are no regulatory commitments contained within this letter. Should you have any questions concerning this letter, please contact me at (630) 657-2823.

Respectfully,

Patrick R. Simpson
Manager – Licensing
