Subject: FOIA/PA Request for 2013-0106

FOIA 2013-0106 is listed on your website (<http://www.nrc.gov/reading-rm/foia/closed2013.html>) as "All correspondence authored by or addressed to named NRC staffer concerning Jocassee Dam and/or Oconee nuclear plant."

Please provide me the documents which were provided under FOIA 2013-0106. Please contact me via this email address prior to assessing any fees. Since the records sought were provided under an earlier FOIA request, I do not expect to incur any search fees.

In order not to incur any copying fees, I desire that the records be placed in ADAMS. I travel for business and prefer that all correspondence be sent to me at this address (b)(6)

Thank you, Colleen Payne
