Dear Administrative Judges:

On October 4, 2010, the Board issued an order directing the staff to submit monthly status reports specifying its best estimates of the issuance dates for draft and final documents associated with its review of Powertech's application. The staff filed its last status report on July 1, 2013.

The following are the issuance dates, or estimated issuance dates, for documents associated with the staff's review:

Draft Supplemental Environmental Impact Statement (SEIS)  
*Issued November 2012*

Safety Evaluation Report  
*Issued March 2013*

Final SEIS  
*Estimated Issuance Date: October 2013*

These dates are the same as those listed in the staff's last status report.

The staff's next status report is due September 3, 2013. At that time the staff will provide updated estimates of the release date for its remaining documents.

Sincerely,

***/Signed (electronically) by/
