U. S. Nuclear Regulatory Commission  
Office of Federal and State Materials  
and Environmental Management Programs  
Division of Materials Safety and State Agreements  
Washington, D.C. 20555-001

To Whom It May Concern:

We have performed a source exchange with our vendor involving a generally licensed device whose source had reached the end of its useful life. The device was removed and the other was installed in the same location for the same end use. The removed device was returned, per the vendor's instructions, for disposal.

Vendor: NDC Infrared Engineering  
5314 North Irwindale Ave.  
Irwindale, CA 91706  
Email: [uscustomer@ndc.com](mailto:uscustomer@ndc.com)
