In the Matter of  
Strata Energy, Inc. (Ross In Situ Recovery Uranium Project)  
Docket No. 40-9091-MLA; ASLBP No. 12-915-01-MLA-BD01

Dear Administrative Judges:

On April 12, 2013, the Board issued a revised general schedule for this proceeding reflecting new filing deadlines resulting from the Staff's revised DSEIS issuance date. The revised general schedule directed that the mandatory disclosure updates for any admitted new or amended contentions be completed by August 5, 2013.

In its July 26, 2013 Memorandum and Order (Ruling on Motion to Resubmit Contentions and to Admit a New Contention), the Board granted Joint Intervenors' request to resubmit Contentions 1, 2, and 3, and denied their request to resubmit Contention 4/5 and admit new Contention 6. Because the Board did not admit new or amended contentions in its July 26 Order, the Staff is hereby notifying the Board that it has not identified any necessary updates to its mandatory disclosures at this time.

Respectfully submitted,
