Subject: NRC/FPL FSAR Chapter 11, eRAI 6985, suggested Meeting Agenda

Below is a suggested agenda for our proposed Aug 22nd meeting. This for a morning meeting only but do you this it would be prudent to have an "optional" early afternoon carry-over session from 1:30 – 3:30pm? Another option could be to notice the end meeting at 12:30pm (this option is presented below). We are fine either way since we will be traveling the day before.

Suggested Agenda (8:30 am – 12:30 pm):

- Introductions/Opening Remarks (NRC/FPL) - 5 minutes
- Presentation (FPL) – 3 hours
 - Units 6 & 7 Deep Injection Well System (DIS) Design and Operations
 - DIS Performance Assessment
- Break – 10 minutes
- Presentation (FPL), continued
 - Deep Well Injection Program Implementation
- Summary and Conclusion (NRC) - 30 minutes
- Public Comment – 15 minutes
- Adjourn

Any questions please call.

Thanks

Steve Franzone
