Subject: RE: Paper Copies of June 26, 2013 emailed Marsland TR Revisions

Mr. Schmuck,

As you requested in a pm to pm phone call, the August 8, 2013 public meeting concerning the Marsland Expansion Area has been canceled. Also, as requested, NRC plans to reschedule the public meeting. However, since the public meeting is to include discussions involving the revised Marsland application documents submitted in your June 26, 2013 e-mail, the public meeting can only be scheduled upon the receipt of an acceptable version of these documents. As discussed in pm to pm phone calls, the revised application documents received June 26, 2013 were in an electronic format that is not acceptable for entry into ADAMS on NRC's public website.

Referring to your email below, NRC is anticipating to be able to formally schedule the public meeting upon the receipt of your hard copy submittal of the entire revised Marsland application.

Regards,

Tom Lancaster
